

Freedom
Alliance
island of ireland

There are the 6 candidates connected to us in the Freedom Alliance family and standing on agreed principles; (That is we have meetings/discussions with them and we are all on the same page)

- Anne McCloskey Independent in Foyle
- Billy Stewart Independent in East Londonderry
- Derek Backhouse Independent in Fermanagh & South Tyrone
- Tony Mallon Independent in Belfast West
- Paul Frew – DUP in North Antrim
- Glenn Beattie - Heritage Party - Profreedom. Pro-family. Pro-life in Upper Bann

The following 35 candidates are broadly in line with our principles on the main issues, I know having looked at their statements and having had some discussion with their members, including Peadar Toibin, leader of Aontú. I will not pretend we are all from the same background, we are not, or that we have the same outlook on everything. What we are agreed on is SUPPORTING THE UNBORN CHILD, STOPPING NUCLEAR WASTE DUMPS IN NORTHERN IRELAND, DEMOCRACY within which we can talk about our differences and ACCOUNTABLE GOVERNMENT. There may be more of the other candidates, some but not all in the DUP for example, some other independents and maybe others you are aware locally that support our principles.

I would encourage you all to vote for the above seven candidates firmly behind the principles of The Freedom Alliance then down a list of preferences for all of these candidates in the order of your choosing. We have to put Orange and Green politics behind us and work for our children.

I should make it clear we trust people on their statements, their word and their honour they will follow their commitments. There is no pacts. Vote for life. Vote for Truth. Vote for democracy.
