Thousands back Belfast anti-war rally

The protesters gathered outside on Belfast City Hall

Tens of thousands of people have attended what organisers have described as the biggest anti-war rally to take place in Belfast.

The crowd left the Arts College at 1430 GMT on Saturday and made their way down Royal Avenue towards City Hall.

http://news.bbc.co.uk/1/hi/northern_ireland/2764997.stm

Journalist and civil rights activist Eamonn McCann drew a huge applause when he said: "We have come here in a great cause to deliver a simple message. Bush and Blair can say what they will but Ulster says no."

Rally co-ordinator Alisa Keane said she was overwhelmed by the turnout.

"It's more than we ever imagined and it tells Tony Blair loud and clear that this war is not in our name," she said.

Jamal Iweida, the President of the Belfast Islamic Centre, called on the people to keep fighting the sanctions imposed on Iraq, which he claimed had caused the deaths of a million children.

About 90,000 took to the streets of Dublin

“My people are destroyed for lack of knowledge:”

We had no idea...

Enough is Enough.

Paying taxes to a government which will spend it on illegal wars is to break the law, Chris Coverdale explains to Charles Malet. During more than two decades of tax resistance, Chris has been sent to prison three times, highlighting the enormous corruption infesting the legal system. Citing the provisions of the [UN Charter](#), the [International Criminal Court Act 2001](#) (and the [International Criminal Court \(Scotland\) Act 2001](#)) and the [Terrorism Act 2000](#), among other articles of legislation, he explains the method by which he calls upon the British Government to cease engaging in hostile actions involving armed forces.

Further information on Chris's campaign, his contact details, and the specifics of his [Declaration of Sovereignty](#), can be found on his [website](#).

What are RATES?

The Rates (Northern Ireland) Order 1977

- ‘Rates’, a kind of property tax, was initially introduced in England via the [Poor Relief Act 1601](#)
- Rates were introduced by the **English Crown** to Ireland after the **Tutor military conquest** of Ireland (1536–1603) which resulted in the **Genocide** and **Ethnic Cleansing** of the native indigenous Irish men, women and children.
 - The **Plantation** of the “North of Ireland” then followed led by the **CROWN**, the **CITY OF LONDON CORPORTATION** and HIS MAJESTY’S-MOST-HONOURABLE-PRIVY-COUNCIL.
- [Domestic Rates](#) are now unique to Northern Ireland, whereas in the rest of the [United Kingdom](#) the local property taxation is now called [Council Tax](#) - although very similar to Rates.
- The Rates (Northern Ireland) Order 1977 is not an act of Parliament, BUT....
- Was made “**At the Court at Buckingham Palace, the 21st day of December 1977**”
- By “**The Queen’s Most Excellent Majesty in Council**” ... “**by and with advice of Her Privy Council to order, and it is hereby ordered, as follows:**”

Occupancy is never constructive, save in the sense that land may be occupied through the actual possession of another. ... How your rates contribute to public spending

The rates that you pay make a vital contribution towards critical frontline public services and to local council services. In 2022-23 Land & Property Services (LPS) collected rates revenue of approximately £1.4 billion from ratepayers and shared between the NI Assembly and local councils.

Regional services provided by rates revenue

Rates make a significant contribution to supporting a range of essential public services including:

These percentages are based on planned resource expenditure in 2022-23 and are intended as an indication of how rates are spent and not as a direct link to any specific expenditure.

Local services delivered by your council

In 2022-23 approximately £717 million of district rates funding helped your local council provide services such as:

- Building Control
- Waste Management
- Tourism
- Environmental Health
- Leisure/Community Facilities
- Arts, event and recreation

Visit www.nidirect.gov.uk/contacts to find the contact details for your local council who will provide more information on how they allocate the contribution that you make to rates revenue.

WHY – is there no mention of fact that if you pay your rates they are “surrendered” into the **CONSOLIDATED FUND** and at least **10% - 15%** of your rates fund:

- **“British-Army” and “British Military”**

What if you don't pay your rates?

You are legally obliged to pay your rates - ignoring a rates demand does not make the debt go away. If you do not pay your rate bill and do not contact us, LPS will take you to court to recover the full debt and all associated costs.

Visit www.nidirect.gov.uk/rates or www.nibusinessinfo.co.uk/rates for full details of the steps LPS takes to recover unpaid rates.

Valuation of Properties

How your rate bill is calculated

The rateable value of a property, as decided through the valuation process, is one of the factors used to calculate your rate bill. For domestic properties the rateable value is known as Capital Value (CV) and for Non-Domestic properties it is known as Net Annual Value (NAV). The rate bill is calculated by multiplying the CV or NAV by the total of the regional and district rates added together.

your property and so may change the rates amount you are required to pay. You must contact LPS to have your valuation reviewed if you have carried out work of this kind.

Where a domestic property is undergoing renovation, rates remain payable even if the property is unoccupied. In a limited number of cases involving major structural works which fundamentally change the character of a property a reduction in rates may apply while the work is taking place. In such situations it is important that you contact LPS as soon as the work begins using the LPS online Valuation List at: www.finance-ni.gov.uk/topics/property-valuation/valuation-lists

If you contact LPS after the work is completed, we will not have authority to amend your rate bill.

Sharon Gallagher, acting as the interim Chief Executive Officer for the REGIONAL-HEALTH-AND-SOCIAL-CARE-BOARD 'H.S.C.B.' signs off on the suspension of Dr Anne McCloskey from the 'Performers List' for practising G.P.'s within Northern Ireland on Monday morning 23 August 2021:

- Unbeknownst to Dr Anne McCloskey, her suspension was agreed during a Microsoft Zoom call that started at **10:30 am on Monday 23 August 2021** between three (3) **H.S.C.B. employees** and one (1) **General-Medical-Council 'G.M.C.'** employee and ultimately signed off by Sharon Gallagher acting as Chief Executive Officer .
- Dr Anne McCloskey made a public interest disclosure on the **Saturday 21 August 2021**, as was her duty, regarding patient safety, especially for children and young people regarding a number of adverse reactions Dr Anne witnessed in her clinical practice after the young people had received a COVID-19 Pfizer-BioNTech mRNA BNT162b2 Vaccine. *Dr Anne McCloskey did not administer any COVID-19 “vaccines” at any time*.
- Dr Anne’s public interest disclosure & whistle blower video went viral on social media.
- Dr Michael McBride as Chief Medical Officer, sent an email at **23:15 (11:15 pm) on Saturday 21 August 2021** to Dr Margaret O’Brien for the H.S.C.B and Jane Kennedy for G.M.C. and others that he claimed Dr Anne McCloskey’s video was “disinformation” and he “wished” that Dr Anne McCloskey’s inclusion on the H.S.C.B “Performers List” be “reviewed” – i.e. this seems to be an order to suspend Dr Anne McCloskey.
- Dr Anne McCloskey was not informed of her suspension until after **05:30 pm on the 23 August 2021**, when she arrived for her shift in Western Urgent Care Limited.
- **Friday 20 August 2021, Dr Michael McBride, CMO**, personally signs off on a COVID-19 Pfizer-BioNTech mRNA BNT162b2 Vaccine Protocol that confirms as fact these “vaccines” / jabs / gene therapies were **unlicensed and under Emergency Use Authorisation E.A.U. only** (sometimes called Temporary Use Authorisation) just as Dr Anne McCloskey stated in her public interest and whistle blowing video on 21 August 2021.
